YZAD EDUCATION TRUST

AN APPEAL

Dear Sir/Madam,

Yzad Education Trust, Dahanu Road is a charitable trust established with a simple but basic objective of **EDUCATION EVER HIGHER**. Obviously, the first step towards this goal was starting a new school, with new and novel concepts. As such **SHIRIN DINYAR IRANI LEARNERS ACADEMY** was started in June 1991 in Dahanu.

Since the emphasis of the activity was not only on schooling and merely academic teaching, but on spreading the real knowledge, character building and bringing out the hidden talents within the students, efforts are being made to introduce various professional courses such as Home Science, Computer Training and Technical Education besides the usual Nursery to Std X teaching.

Building of such an Institution is a gigantic task. But fortunately there is no dearth of Philanthropists who willingly come forward to shoulder such responsibilities. For example, when the idea of establishing such an institution was first mooted, **Mrs. Shirin Dinyar Irani** came forward and donated five acres of land for the school. Thus, the first hurdle was crossed.

The master plan of the school building consists of 38 classrooms alongwith laboratory library, auditorium, canteen and a hostel. Also included in our plan is a well stocked and maintained gymnasium, athletic track and playing fields. Of this, nine classrooms on the ground floor are already completed and nine on the first floor are in the process of completion. Since the trustees and the members of the school managing committee earnestly believe in **CHARITY BEGINS AT HOME**, funds for this pioneering work were raised locally without approaching any big donors.

Now, however, we have no other option but to approach philanthropists and lovers of education like you for the completion of this worthy cause. We are sure, you will not let us down and hope to receive your favourable response.

The details of our activities, and donations are given in the accompanying pages.

Thanking you in anticipation and with warm regards, we remain,

Yours Sincerely,

Katy Irani

CONSTRUCTION ACTIVITY

THE FIRST PHASE :-

As has been mentioned in our appeal, the first phase consists of 38 classrooms alongwith administrative block, laboratories, library, auditorium, canteen, hostel and a gym.

To begin with, **Administrative block, classrooms, toilets and a canteen are being built. The cost of the same is as follows :-**

Administrative Block	Rs. 6.00 lacs
Classrooms (38)	Rs. 57.00 lacs
Toilets	Rs. 3.50 lacs
Canteen	Rs. 3.00 lacs
Total	<u>Rs. 69.50 lacs</u>

We have already constructed the ground floor consisting of seven classrooms, an office, a staff room and a toilet block, but still we have miles to go and hence an appeal to the Education lovers.

Kind donors of Rs. 50,000/- and above will have their names engraved on a marble or granite slab which will be prominently displayed in the school campus. With a donation of Rs. 1.00 lac and above, donors will have their names put on another slab with a notification that the amount was specifically given towards the construction of a classroom. Those who generously donate Rs. 1.5 lac and above will be entitled to nominate one child every year to study free of tuition fees. The child so nominated will be one who has secured admission in this school. Those donors who have the magnanimity of donating Rs. 6.00 lacs and above, will have a whole wing of the school building named after them.

OTHER ACTIVITIES

SPORTS

Sport Activities are a birth right of children, And fortunately our children without much coaching bagged honours in various Athletic meets. This prompted us to form a SPORTS CLUB under their name and title **"YZAD SPORTS CLUB"**

Besides undertaking coaching and training in gymnastics, Swimming and Roller-skating, Basket-ball as a team event, was also introduced. Although, Mr. Pollard R. Irani was generous to offer place for sport activities, it soon turned out to be inadequate with the increased number of students of Dahanu. Thanks to the courtesy extended by Mr. Yezdi S. Mubarakai, a large and suitable place was immediately made available and the activities are being now conducted there. Some of the Achievements in Sports during the past year -

ATHELETICS :

- 1) All India All Zoroastrian Atheletic Meet
Gold Medals 2 Silver Medals 3 Bronze Medals 1
- 2) Joe Crasto Memorial State Level Open Meet
Gold Medals 1 Silver Medals 9
- 3) Bharat Petroleum State Level Open meet
Gold Medals 4 Bronze Medals 1
- 4) Pune Mayor's Cup State Level Open meet
Bronze Medal 1
- 5) Thane District Open Championships
Gold Medals 4
- 6) Thane District Inter Schools Championship
Gold Medals 9 Silver Medals 4

BASKET BALL -

- 1) One Girl chosen to represent Maharashtra State in National Basketball (mini) Tournament.
- 2) Three boys and eight girls chosen to represent Thane District Maharashtra State Championship.
- 3) Club members representing their school won District championship on several occasions.

SCOUTS AND GIRL GUIDES -

Realising the importance of Scout and Guide movement in the lives of budding generation, 'The Explorers Scouts and Guides Group, an open company was registered to carry out all the Scouting and Guiding activities. Fortunately, Mr. Pervez S. Irani a trustee of the Yzad Education Trust is an active Scout Master and Secretary of West Bombay Bharat Scouts and Guides District Association. Besides, Mrs. Bakhtavar B. Patel and Mrs. Phiroza J. Tafti were sponsored to do Bulbul Flock Leader and Guide Captain Courses. Thus we now aim through this world wide movement at character development, health and hygiene, service for others and above all building real fellowship among our students.

COMPUTERS :-

From std. V onwards, computers is a compulsory subject and is taught with practicals. At present we have four students per computer, but we aim to have one student per computer in the near future.

HOME SCIENCE :-

Throughout the year we impart the necessary basic skills of various subjects to the students. Maintenance of bicycles, minor electrical and plumbing repairs, housekeeping, cooking, practical gardening, hobby courses like photography, paper craft, sewing and needle work are some such skills.

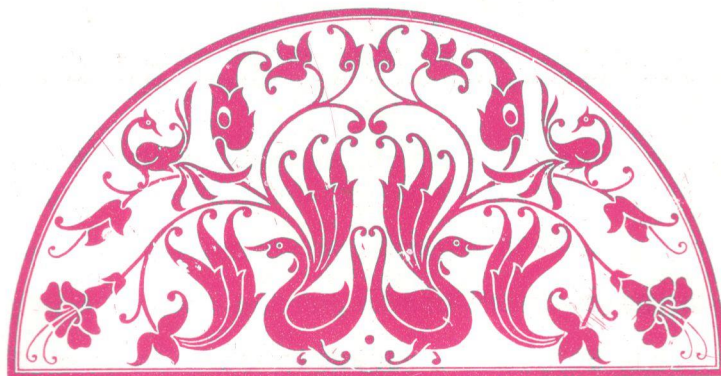

PICNICS and FIELD WORK :-

All the students are taken on one day picnic and also to various outings for field work. Study tours to post-office, banks , and Industrial Units, Poultry farms, fisheries and the like have been conducted during the past two years.

CULTURAL ACTIVITIES :-

Apart from regular Annual Day Function, children are given a chance to enjoy and know about our rich cultural heritage. Dances-Dramas are organized impromptu during certain teaching periods. Recitation, Handwriting, Essay writing and one minute talk are some of the competitions held regularly .

There is an active **science club** run by the students which arranges seminars and conducts experiments.
