Let's Light the Spark Within

“Education is not the filling of a pail but the lighting of a fire.” – W.B. Yeats

Dear Parents, Teachers, and my beloved Shirinites,

Every time I walk through our school corridors, I don't just see students—I see future leaders, thinkers, creators and change makers. What makes me proud is not only your academic progress but your transformation into confident, kind and responsible individuals.

At Shirin Dinyar Irani Learners Academy, we believe that self-study is the spark that ignites true learning. It is more than completing lessons—it's about curiosity and the joy of discovering knowledge independently.

Our school offers more than just classroom teaching. Through mandatory activities like elocution, recitation, dramatics, sports, value education and environmental projects, we ensure every Shirinite grows in confidence, builds leadership skills and embraces values that shape responsible citizens.

Parents, your role in supporting self-study is vital. A gentle encouragement and belief in your child's ability can make all the difference. Our teachers, continue to patiently encourage curiosity in the classroom.

And I expect my dear Shirinites to believe in themselves. They must take charge of their learning. Self-study is your tool to shine. Remember, the best version of you is the one that grows each day with curiosity and effort .

Let us—students, parents and teachers—walk hand in hand to nurture confident learners.

With best wishes and our school motto 'Ever Higher', we step into the academic year 2025-2026!

THE WRITERS WORKSHOP

The Ant and The Mosquito

Once upon a time there lived an ant and a mosquito. They were good friends. The ant was very active but the mosquito was lazy. It was summer season. Ant was busy collecting food for the cold winter season but the mosquito only roamed everywhere, doing nothing.

Soon after, winter arrived. The snow began to fall. Ant had collected enough food for winter but the mosquito didn't have any food. The mosquito begged ant for some food. The ant asked the mosquito "What were you doing in the summer season?"

I used to sing into man's ear, and when hunger struck, I fed on his blood. But now, I can't risk going outside in this harsh season," said the mosquito. The ant shook its head and muttered, "Only God can help this lazy mosquito."

Moral – Laziness is not good for ourselves.

Bunty and Sheroo

Bunty and the Missing Shoe

Bunty was very happy. His mother had bought him a new pair of shoes. He woke up early in the morning and rushed outside to look at them.

“Oh no!” he cried. “There’s only one shoe here! Where is my other shoe?”

He looked everywhere but couldn’t find it. Feeling sad, he sat outside on the steps and began to cry.

Just then, Sheroo, his dog, came wagging his tail and barked, “Bow wow!”

Bunty looked at him.

“Sheroo, have you seen my shoe?” he asked.

“Bow wow!” Sheroo barked and ran toward a tree in the front yard. Bunty followed him. There, under the tree, was a small hole. Bunty bent down and looked inside.

To his surprise, he saw his missing shoe! A big, fat rat had carried it there. Bunty quickly picked it up.

“Thank God!” he said happily. “The rat hasn’t nibbled my shoe. It’s still in good condition!”

“Bow wow!” Sheroo barked, as if he agreed.

“Thank you, Sheroo,” said Bunty, giving his loyal dog a big hug.

Three Friends, One Dream : A bond beyond elections!

Khushi, Swara and Bhargavi – three friends but one goal. We decided to stand for school elections and from that moment on, we were in it together.

Preparing for the elections brought us closer. We helped each other with resumes, practised speeches and shared our nerves. Our classmates and teachers supported us, teaching us that the journey was just as important as the results.

Although we didn't win, we didn't let disappointment get us down. Instead, we lifted each other up. We realized that leadership isn't just about titles but about making a difference.

Our experience taught us valuable lessons and our bond grew stronger. We continue to work together, contribute to our school community. We have big dreams and strive to work hard to achieve them. In this journey, we learnt to be humble and stay grounded.

Together, we have learnt that success is sweeter when shared and challenges are easier when faced as a team....

Mathematics, a superpower everyone should have!

Mathematics is the king of all subjects and it truly feels like a superpower that helps in everyday life. I find Math not only interesting but also incredibly helpful in various situations. Whether it is shopping, designing, driving a vehicle or even launching a rocket, Math plays an essential role.

Math is like a superhero that shows up in many subjects like Social Science, Physics, Chemistry and more. It makes our lives much simpler. Math also plays a significant role in games like football, basketball, hockey, badminton, chess, carrom and many more. It is useful in fields such as Data Science, Aerospace, Engineering, Architecture, Economics, Statistics, Chemical Engineering, Accounting (C.A.), Aviation and many others. The more interest you take in it, the more easily you will understand it. Math is fun—it improves creativity, increases problem-solving ability and is of great practical use. Great mathematicians like Aryabhata, Harish Chandra, Archimedes, Srinivasa Ramanujan, Shankuntala Devi and Brahmagupta worked hard and studied mathematical concepts deeply. It is due to their contributions, today we are living an easier life as technology has advanced thanks to Mathematics.

Importance of Sports

Sports and games are essential for physical, mental and emotional well-being. They promote discipline, teamwork, and healthy competition, benefiting both individuals and society. Engaging in sports activities enhances physical health, mental alertness and emotional stability.

Participating in sports help every individual develop valuable life skills, such as discipline, punctuality and teamwork. It also fosters personal and professional growth, reducing anxiety, tension and nervousness. Sports play a vital role in shaping individuals, especially students, by promoting healthy habits, discipline and activeness.

Regular involvement in sports activities can have a lasting impact on one's life. It is essential to promote and prioritize sports development, encouraging both boys and girls to participate and reap the benefits. By doing so, individuals can build fine physique, develop mental alertness and achieve overall well-being.

A Place of Wisdom, Light and Dreams

In halls where wisdom brightly gleams,
Shirinites awaken their dreams.
A place where minds take fearless flight,
A guiding beacon, strong and bright.
With lessons deep and hearts aglow,
Each day brings more than we can know.
Guided by hands both kind and wise,
We rise, We grow, We realize.
Beyond the books, beyond the test,
Shirinites strive to be their best.
With courage, grace and strength anew,
They shape the world with true vision.
Shirin Dinyar Irani Learners Academy,
a name so bright,
A golden path, a guiding light.
Through every challenge, every stride,
We walk with knowledge at our side.

Our Guiding Light

A teacher's heart is kind and true,
They shape our dreams, they guide us through.
With patience, wisdom, care and grace,
They help us find our rightful place.

They teach us more than books can say,
Life's little lessons, day by day.
Encouraging words when times are tough,
Believing in us when it gets rough.

Like a candle shining bright,
They fill our world with golden light.
For all they do, both big and small,
Our teachers are the Best of all!

The 3 Wins Concept

The 3 Wins concept is a simple way to achieve success and happiness in life. It focuses on three important areas:

Physical Win, Spiritual Win and Mental Win.

Physical Win means taking care of your body. This includes staying active, exercising regularly, and eating healthy food.

PHYSICAL

Spiritual Win means feeling connected to something greater than yourself. It could be faith, a sense of purpose or being part of a supportive community.

SPIRITUAL

Mental Win means having a clear and strong mind. This involves managing your emotions, staying positive and handling challenges with confidence.

MENTAL

By working on all three areas, you can create a balanced, fulfilling and meaningful life.

Beauty all Around

Beauty is more than what we see,
It's in the world, in you, in me.
It's in the sun that lights the day,
And in the stars so far away.

It's in a laugh, a cheerful song,
A helping hand when things go wrong
It's in a hope we choose to share,
In act of kindness everywhere.

So look around, you'll start to find,
Beauty in all, in heart and mind.

It's in the love we all share,
In every moment, everywhere
A gift we share, a light to show,
In every soul, it starts to grow.

The slice of life

Nothing lasts forever, not even our time.
When age catches up, the wise words echo, 'It's time to go'.
A harsh reality, yet the truth we know.

In life's darkest moments, tears fall like rain.
Only we know the pain, the heart's deep strain.
Shadows leave us in gloom, so how can we expect others stay?
It's part of life, we must face, come what may.

Let us accept this truth and live with grace
Embracing life's phases, in every time and place.

Don't stress much about the future or be tensed about the past.
Live in the present with a thankful heart and a cheerful smile as this is just the start
of new adventures.

When you have nothing to lose in life, you have the opportunity to achieve the best.
No step is right or wrong, and you won't know that till you try!
You have been nurtured with care so live your life to the fullest.

Trust me, you won't be happy at the end, because maybe you had thought of a
different path but ended up walking a different one.
Life has many twists and turns but when you turn back to see the journey you will
be happy with your own achievements and thank dear thyself!

Those angelic moments are yet to come and believe me they will be soon.
But until then please wait patiently for the right time.

This world is full of regrets so let's strive to overcome as regrets won't allow your
soul to evolve.

A pure soul is all you want so
don't be over expressive or too shy.
I know you silently answered my unsettling questions.

Just relax and let each situation pass normally,
Because this is the slice of life you shall face daily.

My Father, My Hero

My father's hands, so big and strong,
Hold mine gently, all day long.
His voice is calm, his heart is kind,
A truer friend I'll never find.
He lifts me up when I feel so small,
He cheers me up through rise and fall.
With every smile, with every cheer,
He wipes away my every fear.
He tells me dreams can all come true,
With courage, strength and kindness too.
No matter where life takes me far,
My father's love will always be my guiding star.

My Experience of Virasat Se Nav Bharat Tak

This year's Annual Day theme, Virasat Se Nav Bharat Tak, made the entire experience both beautiful and educational.

To begin with, we had five new subjects added to our curriculum: EVS I, EVS II, IT, Dance and Yoga. During our very first dance lecture, we were thrilled to learn that the dance we were learning was for our Annual Day performance! That news made us even more excited.

By November, our practice sessions had begun, and we received our synopsis. I was shocked at first—there were 36 dialogues and they were quite long! But I worked hard and managed to learn them. We practised every day. Although there were some ups and downs along the way, we kept improving.

Finally, the big day arrived—December 20, 2024. It was our Annual Day! Many of us were nervous but we managed everything well. After every performance, I kept going over my dialogues—I just couldn't sit quietly. I even revised my dance steps in between!

The synopsis of my dance, Maa Bhavani, which was about Tanaji Malusare, gave me goosebumps. It was a powerful and emotional moment.

After our performance, we enjoyed food from the stalls and changed back into our regular clothes. I was filled with joy when people appreciated my performance throughout the act. Many said I looked very beautiful which made me smile even more. I even received warm appreciation and hugs from all my teachers.

Later that evening, we went to a hotel for dinner, came back home and slept peacefully after such an eventful day.

This was my unforgettable Annual Day experience for the year 2024–2025. To top it off, I also received the Outstanding Student Award for the previous academic year!

My sincere gratitude to our choreographer, the school management and all our teachers for putting in so much effort to make this event a grand success.

School is Cool

School, school, my dear school,
It is so amazing, it is truly cool!
Classrooms neat and bright to see,
With water coolers placed for free.
The staff room, art room and IT lab,
With air-conditioned spaces—so fab!
Teachers, students – hand in hand,
Together we learn, we understand.
PT, Art and Marathi too,
With lessons fresh and something new.
In the garden or the jungle gym,
Our teachers guide us, strong and trim.
Enjoy school life while you may,
For time will pass and won't replay.
One day soon, we'll say goodbye,
With teary hearts and heads held high.
We'll cherish memories, pure and true,
Of laughter shared and skies so blue.
So, school, school, my dear school,
You'll always be my golden rule!

नो बॅग डे!

'आमच्या वर्गाचा 'नो बॅग डे' हा अतिशय उत्साहाने साजरा झाला. या दिवशी आम्ही बॅग न आणता शाळेत आलो आणि विविध आनंददायी गोष्टी करूनपार पाडला. हा दिवस नेहमीच्या शाळेच्या दिवसांपेक्षा वेगळा होता. सुरुवातीला सर्व खूप उत्साहित होते जसजसा दिवस पुढे जात होता तसतसा सगळ्यांचा उत्साहही वाढत गेला, शाळेची प्रार्थना झाल्यावर आम्ही सगळे स्पोर्ट्स क्लब कडे निघालो जिथे आमच्या वर्गशिक्षिका निशिदा यांनी आमच्यासाठी विविध उपक्रम आयोजित केले होते. त्यातील पहिला उपक्रम असा होता की एका कागदा वर सर्वांची नावे लिहिली होती व तो कागद ज्याच्याकडे जाईल त्याने त्या मुलाची चांगली सवय लिहायची. या उपक्रमाचा उद्देश हा होता की आपण आपल्या मित्रांना किती ओळखतो. दुसरा उपक्रम म्हणजे सर्वांनी घरून आपआपला आवडता खाद्यपदार्थ आणला होता व सर्वांनी तो पोट भरून खाल्ला आम्ही खाऊन झाल्यानंतर रिकामे बसले होते की तेवढ्यात आमच्या वर्गातले गिटार वादक अथर्व आणि आरुशी हे गाणे गायला लागले व सर्वांनी त्यांच्या सोबत गायले. त्या नंतरचा उपक्रम म्हणजे 'Talent Show' यात सर्वांना आपले टॅलेंट दाखवायचे होते, सर्वांनी विविध प्रकार सादर केले व सर्वांना खूप मजा ही आली. त्यानंतर सर्वपरत गाणे गायला लागलो आम्ही गातच होते की तेवढ्यात निशिदा मिस आल्या आणि म्हणाल्या तुम्हाला नाचायच नाही आहे का? सर्व ओरडले 'हो! आणि स्पीकर वर गाणे लाऊन नाचायला लागले. नाचून झाल्यावर सर्वांनी Thumb Print काढले, या सर्वांचे बोटांचे ठसे घेण्याचा उद्देश असा होता की आम्ही सर्व वेगळे असलो तरी या विविधतेत एकता आहे. त्याचबरोबर सर्वांनी शिक्षकांप्रती असणाऱ्या आपल्या भावना व्यक्त करून कृतज्ञता व्यक्त केली. हे सारे करता करता हा दिवस कधी संपला ते कळलेच नाही.

एकूणच दीर्घकाळ सर्वांच्या स्मरणात राहील असा हा कार्यक्रम पार पडला. वकोणता कार्यक्रम 'झिंगाट' शिवाय संपू शकतो का? व सर्व खूप नाचले. अशा प्रकारे हा दिवस संपन्न झाला.

योग आणि तंदुरुस्ती

आजच्या धावपळीच्या जीवनशैलीमध्ये शरीर आणि मन ननरोगी ठेवण्यासाठी योग आणि तंदुरुस्ती महत्त्वाची भूमिका बजावतात. योग ही प्राचीन भारतीय पद्धती असून, ती शरीर, मन आणि आत्मा यांचे संतुलन राखण्यास मदत करते.

योगाच्या माध्यमातून शरीर लवचक आणि सशक्त होते. ननयममत योगाभ्यास केल्याने मानचसक शांतता ममळते, तिाव कमी होतो आणि एकाग्रता वाढते. प्रिायाम आणि ध्यान यामुळे मन शांत राहते आणि आरोग्य सुधारते. सूययनमस्कार, भुजंगासन, वृक्षासन यांसारखी योगासने शरीराला तंदुरुस्त ठेवतात.

तंदुरुस्त राहण्यासाठी संतुचलत आहार, ननयममत व्यायाम आणि पुरेशी झोप आवश्यक आहे. जंक फूड आणि तिावपूय जीवनशैली टाळल्यास आपले आरोग्य अमधक चांगले राहते. रोज सकाळी योगासने आणि ध्यान केल्याने ऊजाय वाढते आणि रोगप्रनतकारशक्ती मजबूत होते.

योग आणि तंदुरुस्ती केवळ शारीरक आरोग्यासाठीच नव्हे, तर मानचसक आणि भावनक आरोग्यासाठीही महत्त्वाचे आहेत. त्यामुळे प्रत्येकाने आपल्या दैनंदन जीवनात योगाचा समावेश करावा आणि ननरोगी जीवनशैली अंगीकारावी. 'संपूय आरोग्यासाठी योग' हा मंत्र पाळून आपि तंदुरुस्त आणि आनंदी राहू शकतो!

From Dreams to Leadership: My Journey to School Captaincy

It is with immense gratitude and pride that I pen down my journey of becoming the School Captain of my beloved school. First and foremost, I would like to thank my teachers, who have been my guiding light and my fellow students, whose unwavering support and encouragement have helped me reach this milestone.

Becoming the School Captain was a dream that I had nurtured since I first saw my seniors lead the school with confidence and dignity. Back then, I admired their poise and determination and hoped that one day, I could stand in their shoes, inspiring others just as they had inspired me. This dream became my goal and I was determined to work towards it with dedication.

The path to captaincy was not easy. It required consistent effort and discipline. Academically, I made it a point to excel in my studies, understanding that being a leader meant setting an example for others. At the same time, I made it sure that I participated in extracurricular activities, from elocution, monologue, quiz, debates to cultural programmes. Sports, too, played a significant role in shaping my journey. As a team player, I learned the qualities that are essential for any leader.

However, academics and activities alone were not enough. I also focused on my behaviour towards others. Treating my friends, fellow students and everyone around me with respect and kindness became a priority. My efforts to build positive relationships earned me the respect and goodwill of my peers.

As I reflect on my journey, I believe there are valuable lessons for my juniors. To those aspiring to leadership, my advice is simple: dream big, but remember that dreams alone will not suffice. Back your dreams with hard work, determination and consistency. Stay humble and respectful because true leaders are those who lift others up while climbing the ladder of success. Remember, leadership is not about authority but about responsibility—responsibility to inspire, guide, and serve.

Becoming the School Captain is not the end of my journey but the beginning of a new chapter. I hope my journey inspires others to believe in themselves and strive for greatness. To my teachers, my friends and my juniors—thank you for being a part of this incredible journey. Together, we can continue to make our school a place where dreams turn into reality.

Awarded Second Prize in the 5th to 7th Grade Dance Competition during the Cultural Programme held at K.L. Ponda Ground, Dahanu, on the occasion of Republic Day.

Our school has achieved a remarkable milestone by securing the first position at the Taluka-level Science Exhibition for the third consecutive year! This achievement shows the hard work, creativity and talent of our students, along with the guidance of our teachers and strong support of our parents. Congratulations to the entire team and a big thank you to the parents for their encouragement and support!

SDILA Dahanu secured third position in Palghar District U14 boys and girls for excellent performance in sports for the academic year 2023-2024. We were invited for the function on August 15th 2024 at the District Magistrate's office. We were thrilled to receive the cheque from the Honourable Guardian Minister of Palghar, Mr Ravindra Chavan and we are deeply grateful for the recognition and support.

Congratulations to Mrs Preeti Thakkar on achieving the prestigious award for the Best School in Palghar. This remarkable accomplishment is a testament to you for your dedication, vision and unwavering commitment to excellence in education. May this honour inspire you to continue nurturing young minds and shaping a brighter future. Wishing you many more such achievements!
